

Field Trip announcements have 100% delivery rate.

Parents are encouraged to allow participation when viewing past year's field trips and gain a better understanding of the educational value.

Students benefit from pre/post learning.

Parent/ Student/ Teacher Conferences via the iPod strengthen the home to school connection.

Parents can share with additional family members and see the dynamics between the teacher and student.

Parents appreciate not having to take time off work to facilitate conferences. However, traditional conferences are always available if needed.

Parents are more likely to watch a video than read a flyer and can replay for better understanding.

Individualized Communication delivers messages that may not otherwise get through to parents.

Newsletters and Announcements have a 100% delivery rate compared to traditional methods at about 75%.

Many teachers can receive staff development at the same time without tapping school resources such as personnel and meeting locations.

Teachers appreciate not having to attend another meeting.

Teachers are able to self-remediate and watch at their convenience.

Student motivation is the most valuable contribution.

Differentiated Instruction for ELL and ESE students make a huge impact.

100% of all assignments given related to the iPod have been completed!

The original purpose of this project. However, many variations are discovered by our teachers daily.
